

New Trier Township Using Dial-A-Ride

Registered Dial-A-Ride patrons are given a numbered, non-transferable card for personal use only. The card must be presented to the cab driver each time to get the reduced fare. Resident can choose the taxicab company they prefer. Options include:

North Suburban Yellow Cab Co. (847) 446-2000
303 Cab Company (847) 256-0303

A rider shows their Dial-A-Ride card to the driver and signs his log sheet with their name and number. \$6.00 of the metered fare will be deducted. The rider pays the balance and the tip. The cab company will bill the Township for the \$6.00. There are no restrictions to distance traveled or travel times. When sharing a cab, all riders must be picked up at the same address and travel to the same destination. Fifty cents will be added to the fare for each additional rider. Only \$6.00 will be deducted from the total fare.

Follow the same procedure for the return trip.
