Administrator Report

We have a new member, Patricia Guerra. We need to elect a new Chair. Richard Drake has agreed to be our new chairman. Thanks Richard! This is our last meeting until September, when the process starts over again. Proposals are due on September 9th and this committee meets on September 12. IN your packet I will highlight the modest changes in the proposal, mostly focusing on the eligibility requirements. We will be having an agency luncheon in July to introduce them and the new proposals and Supervisor.

Minutes from May 2022 meeting

Members Present – Richard Drake, Lyn King, Joel Kurzman, Joseph McGowan, Renee Cox.

Brian noted we need a new committee chair. Richard Drake will consider it. We meet in June and then that is our last meeting until the fall.

Liaison Reports

Renee Cox/HAVEN – Agency is administering the Ill. Youth Employment Program from a lake County office and an LGBTQ program. Agency has a waitlist and is trying to fill vacancies. Office building on Green bay Road was sold and they may have to look for new space.

Brian clarified liaison assignments. There was no other business.

Respectfully submitted,
